

CONVERGENCE COURSES

Convergence EHS Courses

Our Environmental Health and Safety (EHS) courses are designed to help train your workers on key safety topics. Each course is correlated to regulatory or safety measures created by OSHA, the EPA, or other safety organizations.

Course Title:	Run Time:	ID:
■ Aerial Work Platforms	12:00 min	101
■ Asbestos Awareness	16:00 min	102
■ Bloodborne Pathogens	16:00 min	103
■ Confined Space Awareness	28:00 min	104
■ Electrical Safety General Awareness	18:00 min	105
■ Ergonomics	15:00 min	106
■ Fall Prevention and Protection	10:00 min	107
■ First Steps in All First Aid Situations	42:00 min	168
■ First Aid for Emergencies	28:00 min	169
■ First Aid for Common Injuries	32:00 min	170
■ Fire Extinguisher Safety	14:00 min	108
■ Fire Safety	23:00 min	109
■ Formaldehyde Awareness	14:00 min	110
■ Hand Safety	12:00 min	112
■ Hand Tools / Power Tools	16:00 min	113
■ Hazard Communication	15:00 min	114
■ Hearing Conservation	12:00 min	115
■ Hydrogen Sulfide Awareness	13:00 min	111
■ Ladder Safety	23:00 min	116
■ Laser Safety	12:00 min	117
■ Lead Awareness	16:00 min	118
■ Lock Out / Tag Out	18:00 min	119
■ Pedestrian Safety	12:00 min	120
■ Personal Protective Equipment	14:00 min	121
■ Radiation Safety	10:00 min	124
■ Respirators	40:00 min	166
■ Escape Respirators and SCSRs	25:00 min	167
■ Storm Water Pollution Prevention	30:00 min	123
